- Scalable offshore delivery for economy in time and cost.
- Onshore presence ensures better collaboration and control over the project.

## Reasons to Partner with us

*“The rich and interactive dashboard solution developed by Perennial has become vital for our business. Its intuitive design and innovative representation increased access to key information that might have very well gone unnoticed”*

*- Technical Director, WFactura, SA de CV*

*“Perennial experts worked closely with us right from the concept ideation to concept implementation and from UX enablement to cloud migration making the application apt as well as cost effective. We won the Pan Arab web award for the best social networking site in 2009”*

*- CEO, Fameego.com*
